

"One Hale of a story"

The Philanthropist

Guest Speaker

Philanthropy Takes Flight

The Honorable
Judge Sheehan,
Philanthropist

On January 29th, 2020, Jeffery Hale - Saint Brigid's Friends' Foundation invites you to a *soirée* at the *Complexe Capitale Hélicoptère* to celebrate philanthropy in Québec City and the launch of the new historical booklet, *The Philanthropist*. This booklet is inspired by the play *The Philanthropist* and tells the story of Jeffery Hale, a man whose philanthropic legacy lives on so vibrantly in our city today.

It will be an amazing opportunity for members of both the French and English-speaking communities of Quebec City to come together for a unique experience of theater, literature, our history and our special guest speaker to highlight his philanthropic mission.

In memory of

Alexander Huard
2002 - 2017
Actor in *The Philanthropist*
